### \*\* INFORMATION on children and 'GUARDIAN-PARENT' memberships:

For *individual* JUNIOR Members **ages 5-15** incl., at least one parent must join as a 'Guardian-Parent'. This is for legal/PVG purposes, essential for communication and because the parent will use/be responsible for key-code security.

Additionally the Club advises that **ALL non-playing PARENTS + OTHER ADULTS** (e.g. nanny, grandad) who'll be bringing children to the Club and using the key-code must also join as 'GUARDIAN-PARENTS'. This way, all adults often at the Club are "known to" the Club.

(Occasional family guests MUST be signed in in the **Visitors Book**.)

**Children** from Primary 1 or age 5 upwards can become FALCON JUNIORS and register for coaching.

**TOTS:** Members' pre-school children age 3-4 may have FREE membership, so do register them!

N.B.: Please ONLY SELECT 'TOTS' Membership' **after** all paying-Members have been added to the FAMILY Membership, thanks.

### IMPORTANT

These Membership prices are valid for **private individuals and families**, playing for sport and recreation; membership also gives members access to booking Falcon Tennis Coaching. **All** coaching at Falcon Club is carried out by coaches appointed by this Club. Membership does **not** entitle other **tennis professionals or coaches** to coach privately on the courts at Falcon Club. **Falcon parents** should **not** engage private coaches to coach their children at Falcon Club without first seeking the express permission of the Falcon Committee by email.
